**SPECIAL UNITS:**

A. FOREIGN LEGION: The Legionnaire unit cannot be purchased. These special infantry units attack at a 3 and defend at a 4. When rolling for Vichy territories, Legionnaire units that are in Vichy territories are moved to an adjacent Free French territory. If there is no adjacent FF territory then the unit is destroyed. These units use the combined arms rule for infantry.

**SPECIAL RULES:**

1. LA RESISTANCE: When the territory of Paris is liberated the first time only, France places 4 infantry in Paris at no cost.
